

About Baby Book Bees

Read 100 Books before your baby's first birthday. Log your reading, earn badges, and receive a board book when you've completed the challenge!

Babies are born ready to learn, and the single most important way to help a child prepare for reading and learning is by reading together. This program is self-paced and meant to kickstart your child's journey to 1,000 Books Before Kindergarten. Consider attending our storytimes to get started. Remember that every book counts!

The Lawrence Family is proud to sponsor
Baby Book Bees and Bea's Garden,
in loving memory of their daughter, Beatrix.

4. Pick up your next log to continue on the journey to 1,000 Books Before Kindergarten!
